

Marvin's Ministry Update

April – June 2014

Ministry Overview

In May, I had the privilege of participating in two significant ministry opportunities which will be the primary focus of this report – especially through the pictures. I continue to thank God for your faithful prayers and financial support which sustain the ministry of MentorLink/ML Canada.

MentorLink International Gathering

Twenty-two members of the ML Round Table Fellowship (RTF) met from May 11-14 at the YWAM base in Burtigny, Switzerland to share reports, to worship and pray, and to discuss how to expand the ministry. We were joined from May 14-18 by 25 others from the ML Community for further inspiration, instruction, and fellowship. I had the privilege of guiding the daily agenda. Thank you for investing in the lives of God's amazing servants from 20+ countries.

Bible College Seminars in the Philippines

After a brief stop at home, I left for the Philippines to join three other people in Manila. From May 20-31, we conducted seminars for board members, presidents, administrators, and faculty members of Bible colleges – three one-day seminars for smaller schools in various locations and a two-day seminar for larger schools in Manila.

The Team - Dale, Ariel, Marvin, David

As the primary presenter, I shared on three requested topics - resource development, healthy board/administrator relationships, and enrollment management. Dale Marshfield and David Totman, International Trainers with ABWE gave a seminar on course design for faculty. Ariel Abadiano, our Filipino host and facilitator, prepared each venue well. More than 100 people from 30+ schools participated in the events.

Upcoming Ministry Opportunities (Prayer and Praise)

- a. Preparation for a series of local church Passing It On! seminars in the GTA this fall.
- b. ML Leadership Team responsibilities coming from the International Gathering.
- c. Workshop at the C&MA National Gathering in Ottawa in July.
- d. Final CREST Leadership encounter and beginning of a new cohort in October.
- e. Mentoring, preaching, and consulting commitments with people, churches, and organizations. Each conversation is a divine encounter with eternal implications.

Thank you for your faithful, focused prayer support for this strategic ministry.
