

Marvin's Ministry Update

July – September 2019

The Need for Mentoring

As I speak with people, one constant theme arises – the desperate need for more leaders in our churches who lead like Jesus. This is the reality in most churches and parachurch organizations. No magic solution exists, but I am convinced that the Jesus model must be taken seriously to overcome this challenge. We offer training in transformational mentoring for individuals and church leadership teams. The training, called Passing It On, equips people to develop leaders in their own settings. We would love to serve you. Contact us at marvin@mentorlink.org

Great news! The ML Canada team is expanding to Eastern Canada with the addition of Gary Sharpe from Fredericton, New Brunswick. Gary will be an Associate Mentor, joining with Terry Dorey and me in providing personal mentoring and mentor training seminars. Gary has a large network of worship leaders from across Canada; he also brings extensive local church leadership experience. Welcome, Gary.

Ministry Opportunities (Prayer and Praise)

- a. Prayer for strength and wisdom as I travel to Togo, West Africa from October 19-29 to assist a local MentorLink leader in providing training and resources. I will be presenting four sessions at a conference on "Leading in Light of Eternity." ML Canada is providing 100 small libraries for pastors. Most of the pastors live where electricity is sporadic or non-existent. Thank God with us for two donors who provided the funds. Please pray that the books will arrive in time to be distributed at the conference.
- b. Praise for the addition of Gary Sharpe and Terry Dorey to ML Canada. Pray for them as they develop their prayer and financial support teams.
- c. Prayer for several upcoming speaking opportunities: Waterloo MB Church Seniors – a challenge to mentor younger people (October 31); a training day with David Wright and the leaders of Establish, a disciple-making ministry in Western Canada (November 28); a two-day mentor training seminar at Emmanuel Baptist in Nipawin, Saskatchewan (November 29-30).
