19 Years of Ministry

In 2018, MentorLink conducted training in over 55 nations.
Our training network extends to over 60 countries worldwide.

47,538,000 DISCIPLESHIP ENCOUNTERS WORLDWIDE SINCE 2011

Our video-based discipling and leader development tool, Days with Jesus, exists in 38 languages and impacted people in over 181 countries in 2018.

What do we do?

- **WE TRAIN LEADERS TO LEAD AND BE LIKE JESUS.** This results in spiritual followers.
- **WE TRAIN LEADERS TO MULTIPLY THEMSELVES.** This results in an exponentially growing workforce of Great Commission workers.
- **WE PROVIDE PRACTICAL TOOLS THAT HELP PEOPLE WALK WITH JESUS.** This results in ease of transferring their life into others.
- **WE WORK THROUGH SELF-SUPPORTING, INDIGENOUS PARTNERS.** This results in maximizing resources and rapidly expanding the MentorLink movement.
- **WE PROVIDE NO-COST TOOLS FOR MULTIPLYING LEADERS IN REPRESSIVE NATIONS AND AMONG ILLITERATE PEOPLES.** These are often people who either: 1) can't read (2/3 of the world); 2) live in repressive nations; 3) have little or no money; or 4) have no one nearby to help them grow into a disciple of Jesus.

Days with Jesus

MentorLink pioneered with JESUS Film to develop a video-based discipling and leader development tool using the The JESUS Film (currently in 1,689 languages).

Why is this important?

1. We can disciple and develop leaders in the remotest parts of the world.
2. Two-thirds of the world does not read.
3. Younger generations are video-based visual learners.

Our Progress:

2012-2015 Muslim languages focus.

2016 and beyond expanded focus to the largest 100 languages.

The Book of Acts

In mid-2018, MentorLink rolled out the beta version of a new disciple making and leader development series based on The Book of Acts. This tool, like Days with Jesus, takes a valuable film and “breaks it down” into smaller segments for further discussion, examination and application. The series depicts the birth of the early church through the eyes of Luke, and is split into four parts.

There have been over 26,000 discipleship encounters using this beta tool. The finalized version of this tool will be available for distribution in early 2019.

DAYS WITH JESUS IS SUCH A RICH DISCIPLESHIP TOOL!

THERE IS A GREAT NEED FOR INDIGENOUS BELIEVERS TO BE EQUIPPED WITH DISCIPLESHIP TOOLS TO REACH THEIR OWN PEOPLE.

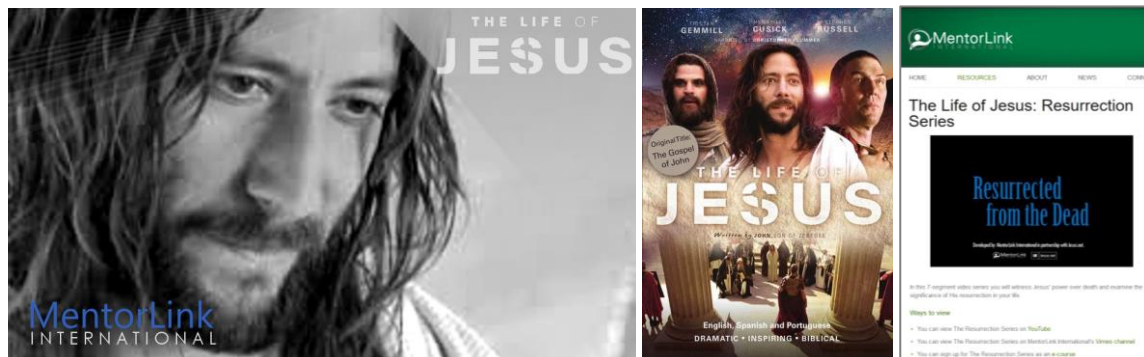

MentorLink International secured a new Days with Jesus partner: Vineyard Media & Training Services is an indigenous Christian media organization with a heart to promote the Gospel through audio-visual production and to multiply disciples – particularly oral learners.

In this seven-segment series, witness Jesus' power over death and examine the significance of His resurrection in your life.

I AM Series

WE ARE EFFICIENT AND HIGHLY LEVERAGED THROUGH PARTNERSHIPS.

"MENTORLINK works through a network of like-minded people and organizations. Ministry is delivered through followers of Christ who share a common purpose of spreading His Kingdom to the far corners of the earth."
