Founder and Chairman of the Board

In God's providence, He has expanded exponentially the role of MentorLink through like-minded leaders who have embraced the vision of leading like Jesus and of developing Christlike leaders in their own cultural contexts.

The brief summaries in this report only begin to describe how the Lord is at work in the lives and ministries of our brothers and sisters across many nations and language groups. God is at work in the world today. May this report encourage you greatly.

What do we do?

- WE TRAIN LEADERS TO LEAD AND BE LIKE JESUS. This results in spiritual followers.
- WE TRAIN LEADERS TO MULTIPLY THEMSELVES. This results in an exponentially growing workforce of Great Commission workers.
- WE PROVIDE PRACTICAL TOOLS THAT HELP PEOPLE WALK WITH JESUS. This results in ease of transferring their life into others.
- WE WORK THROUGH SELF-SUPPORTING, INDIGENOUS PARTNERS. This results in maximizing resources and rapidly expanding the MentorLink movement.
- WE PROVIDE TOOLS AT NO COST TO HELP LEADERS MULTIPLY IN REPRESSIVE NATIONS AND AMONG ILLITERATE PEOPLES. These are often people who can't read (2/3 of the world), live in repressive nations, have little or no money, or have no one nearby to help them grow into a disciple of Jesus.

“MentorLink’s strength comes from its vision to partner with a wide circle of organizations and institutions around the world.”

—Henk Struik, Retired Director of Operations, Eli Lilly

MentorLink’s Approach to Organization

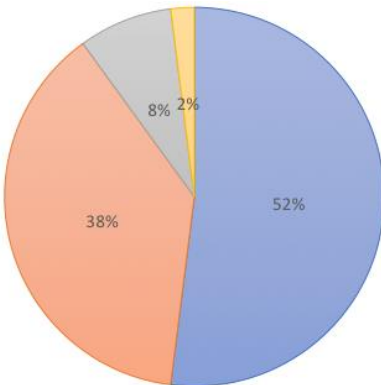

Though we are quite small in American terms as measured by budget, employees, office, and organization, we are quite large as measured by network, partners, influence, leaders trained, and nations involved.

“MentorLink works through a network of like-minded people and organizations. Ministry is delivered through followers of Christ who share a common purpose of spreading His Kingdom to the far corners of the earth.”

—Michael Mangum, Partner, FMI Corporation

Funding Needs

‘Get There’ Fund

We partner with respected national leaders to provide training using MentorLink resources such as Days with Jesus, Passing it On!, or MentorLink Institute modules. It costs MentorLink very little to pay for travel and events in parts of the world where these costs would be unattainable for these national leaders.

“The word ‘efficient’ sums up MentorLink’s approach in using scarce resources. We leverage financial resources in ways that maximize our goals. Still, we can always use more assistance. MentorLink is a rare ministry where each dollar multiplies its impact. I ask that you support or continue supporting MentorLink in 2022. Your donations will make a tangible impact for the Kingdom.”
