

## Marvin's Ministry Update

January – March 2022

### ML Canada Updates

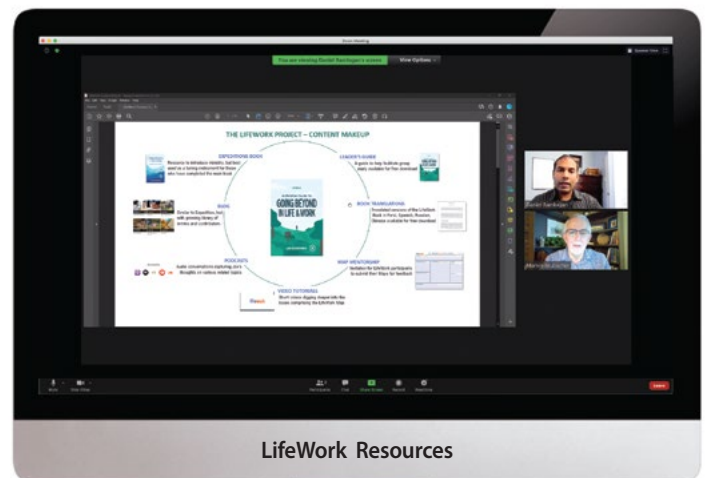

During the last three months, our team has conducted numerous mentor training seminars and participated in a variety of events with various organizations. God also continues to bless ML Canada through our personal mentoring ministries. Recent online activities include:

**Centre for Leadership and Change** – We completed our fourth mentor training seminar. Now, more than 60 leaders in India have wrestled with the life-changing truths of the Transformational Values. We continue to conduct follow up gatherings for each group.

**MentorLink Mentors** – Tim Jacobson and I conducted mentor training with about 15 people to prepare them to serve in various settings. Their first assignment was mentoring students at Emmanuel Bible College in Kitchener during the winter semester. We have developed an agreement for trained mentors to sign annually to confirm their commitment to the ML Canada vision, values, and lifestyle. We continue to provide ongoing encouragement as they serve.

**Partnerships** – We are exploring partnerships with two ministries: Establish – a discipleship ministry focused on strengthening First Nations faith communities in Canada; and LifeWork – a ministry equipping Christ followers to glorify God and excel in their work. I have enjoyed long-term mentoring relationships with key leaders in both ministries.

**Ministry Opportunities** – I have enjoyed the following: teaching a class at Heritage College in Cambridge on mentoring; presenting the topic of "accountability" to business leaders for the Canadian Christian Business Federation; meeting with my Next Gen Leaders Cohort; presenting what ML Canada has to offer to several churches; speaking at a Men's Night; moderating an ordination council; and many more.

## ML Global Updates

**Global Leadership Team (GLT)** – I have agreed to serve on this team for another two years. I serve as the “recorder” of our prayer updates and team meetings. I love these brothers who serve in Spain, Norway, Kenya, Philippines, Argentina, Senegal, and the USA.

**Round Table Fellowship (RTF)** – The RTF consists of 40+ selected “elders” of the ML Movement. We met online on March 29 to continue building relationships and explore future opportunities to serve God worldwide.
