FOR EVERY
BELIEVING COMMUNITY,
CHRISTLIKE LEADERS;
FOR EVERY LEADER,
CHRISTLIKE MENTORS

CHAIRMAN OF THE BOARD

Dear Partner in the Great Commission,

Greetings, and thank you for your part in serving the King through the MentorLink Movement. I am thrilled with what the Lord did in 2022, and I look forward to what's ahead.

With great joy and confidence in the Lord's leading, I step back from my role as Chairman of the US Board on February 3, 2023, and announce my replacement, Dr. Steve Irvin, my long-time friend and colleague. I will remain actively involved in MentorLink and serve as an International Ambassador.

The momentum of MentorLink, Steve's twenty-two year involvement in the movement and calling to this ministry, the partners, intercessors, and co-workers the Spirit has brought give me great confidence for the future. What the Lord is doing is simply amazing to me.

May reading this Annual Report encourage you,

VICE CHAIRMAN OF THE BOARD

It is an honor to serve the global ministry partners of MentorLink. The testimonies we receive from many nations reveal what we already understand to be true: God is at work around the world to accomplish His purposes in Christ Jesus. He is calling out a people for His very own possession, and calling leaders among His people to live and lead like Jesus. May this annual report encourage you and fill you with thanksgiving to Him who is worthy to receive all praise and glory.

THEALLIANCE

MENTORLINK GLOBAL LEADERS

Timothy Olonade, Jos, Nigeria

Timothy is a widely-known, strategic missions leader in Nigeria with ministry influence in many parts of Africa. He has partnered with MentorLink for 13 years. His mission is to train pastors to lead like Jesus in the midst of Muslim extremism and the prosperity gospel. He has wide-ranging influence among the 23 million members of the Nigerian Anglican Church as well as many other denominations and their leaders in Nigeria. He has an annual “Mentor Development” week for younger Nigerian leaders. His wisdom and insight into the things of the Lord and developing Christlike leaders is highly regarded in the MentorLink Movement.

Sam Sunder Singh Chennai, India

Last year Sam conducted 15 Leader’s Covenant Seminars in 15 different cities in India. This seminar calls pastors back to the ways of Jesus and 793 pastors participated in 2022. The Lord’s hand is on Sam for this ministry. Because of the Spirit’s work, there is significant change in these pastors. He continues to be overwhelmed with invitations to do this in other cities. Every city where Sam has been wants him to return. He is also planting Word Centers where the Bible is taught and people are coming to the Lord. He does all of this in a culture of overt persecution and severe financial limitations.

Manuel Reaño, Colombia

Manuel leads a ministry that focuses on the well-being of pastors and their families through prayer and Bible study in small groups of pastors, one-on-one mentoring sessions, and monthly larger gatherings. He collaborates in Colombia with Pedro Hernández, the MLI Latin American Coordinator, and has been instrumental in launching MLI through training events in different countries like Mexico, El Salvador, and Brazil.

OUR APPROACH TO ORGANIZATION

Though MentorLink is quite small in American terms as measured by budget, employees, office, and organization, we are quite large as measured by network, partners, influence, leaders trained, and nations involved.

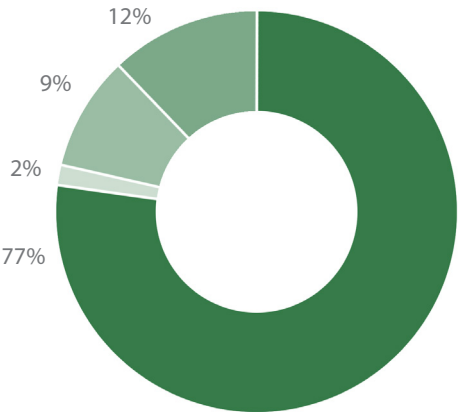

“MentorLink works through a network of like-minded people and organizations. Ministry is delivered through followers of Christ who share a common purpose of spreading His Kingdom to the far corners of the earth.”

—Michael Mangum, Partner, FMI Corporation

2022 USE OF INCOME

FUNDING NEEDS

‘Get There’ Fund

We partner with respected individuals, pastors, church, or ministry leaders who are working and living overseas to provide training using MentorLink resources such as Days with Jesus, or Passing it On! we can go anywhere in the world where God is working to bring people to Christ. It costs MentorLink very little to pay for travel and events in parts of the world where these costs would be unattainable for pastors and church leaders.

“The word ‘efficient’ sums up MentorLink’s approach in using scarce resources. We leverage financial resources in ways that maximize our goals. Still, we can always use more assistance. MentorLink is a rare ministry where each dollar multiplies its impact.

I ask that you support or continue supporting MentorLink in 2022. Your donations will make a tangible impact for the Kingdom.”
