

2025 ANNUAL REPORT

For every believing community,
Christlike leaders; for every
leader Christlike mentors.

**Serving the Global
Church since 2000**

CHAIRMAN OF THE BOARD

Dear Partners in the Great Commission:

In these turbulent times, one thing remains certain: Christ is sovereign over all and is building His church around the world, calling pastors and leaders to turn from the world's leadership practices to embody His own values of godly, servant leadership.

This call to Christlike life and leadership is resonating around the world. In 2025, MentorLink partners began an intentional effort to raise up women mentors who will pour their lives into pastors' wives and other women leaders. The Africa Mentoring Initiative celebrated its one-year anniversary with brothers and sisters influencing different sectors across the continent. Of note is the goal to develop marketplace mentors in 15 African nations.

In India, a trained team of 70 "Covenant Leaders" are shepherding over 3000 pastors in the Jesus-way of leadership and are looking to extend the vision throughout this immense country.

In Latin America, MLI partners trained some 1,000 pastors and leaders in five countries with a special focus on developing trainers of mentors in order to multiply the movement. In Ethiopia, our colleagues work with 12,000 churches of a large denomination and have trained over 3,500 mentors. It is amazing what God is doing.

Be greatly encouraged as you read in this report what the Lord has done.

"Through the monthly peer-mentoring "gathering around the table" which has lasted for over four years now, and one-on-one mentoring with Uncle Kent Hoffman, MentorLink modules, and others, God has shaped my life in Christlike character, spiritual formation and relational mentorship. MentorLink tools and mentoring approach have deepened my personal walk with God, strengthened how I invest in emerging leaders, and equipped me to build healthier, more intentional peer-mentoring groups and communities in Nigeria and across Africa." —Bami Betiku, Nigeria, MLI Round Table Fellowship

"MentorLink is an organic movement. Christ described the Kingdom of God as something like a mustard seed or yeast. The seemingly humble appearance belies the tremendous influence of the mustard seed and yeast. So it is with the MentorLink movement. Once a leader has been "seen and heard" by a Christlike mentor, they pass on the Kingdom life of Jesus unendingly. As a result of this life-on-life approach, financial gifts to MentorLink have more impact than one might imagine." —Kevin Mason, Senior Director of Global Programs, Vision Synergy

"TO LEAD LIKE JESUS HAS BECOME THE SONG OF MY HEART"

"Over the past five years, I have intentionally invested in raising the next generation of leaders across the marketplace, ministry, and family. Through MentorLink's Christ-centered, life-on-life mentoring approach, I have mentored seven leaders who are now multiplying this lifestyle of Christlike leadership by intentionally mentoring others. "To lead like Jesus has become the song of my heart and the driving force of everything I do in ministry, business, family life, and among my neighbors. Through Christ-centered mentoring, this way of life is now being multiplied through others." —Bosco Ruhinda, Rwanda, Africa Mentoring Initiative Coordinating Team

2025 USE OF INCOME

"What impacted me about the mentoring group I was in was that we all felt safe. MentorLink facilitates the natural creation of these environments of vulnerability. This experience transformed the way I carry out my ministry with pastors' wives in my country. We are creating close and intimate spaces where we can share from the heart how we see God at work in our lives. We are living community together, accountable to each other, and building deep and lasting relationships. —Claudia García de Mendoza, Nicaragua, MLI Round Table Fellowship

'Get There' Fund

We partner with respected individuals, pastors, church, or ministry leaders who are working and living overseas to provide training using MentorLink resources such as the Leader's Covenant, or Passing it On! we can go anywhere in the world where God is working to bring people to Christ. It costs MentorLink very little to pay for travel and events in parts of the world where these costs would be unattainable for pastors and church leaders.

"Like Mordecai and Esther in the Persian kingdom, we too are in a minority context here. The following verse very much applies to us as leaders and pastors, and also to congregations, "For if you remain silent at this time, relief and deliverance for the Jews will arise from another place, but you and your father's family will perish. And who knows but that you have come to your royal position for such a time as this?" (Esther 4:14) I am not in a position to disclose all that we experience here, but it is my earnest prayer that pastors and leaders will rise and take responsibility for the future generation. —Sam Sunder Singh, India, MLI Global Leadership Team

"MentorLink addresses the church's critical need for godly, Christlike leaders through scalable and adaptable mentoring. We equip Christian pastors and Christian leaders worldwide to foster servant leadership locally, to deepen their faith and to empower a new generation to lead and mentor others for Christ's glory." —Gary Johnson, CEO,
